### All of the Art You Can't Afford to Miss in New York This May

Oh reader- the challenge of delivering a compelling gallery guide during New York's upcoming fair week is vast, so may as well lean into it. Between this month's show recommendations, you'll find the below honorable mentions (which could never include the full breadth and quantity on offer) for the week ahead—an assortment of other openings, word-of-mouth moments, and art world mainstays that are worth your fly in time.

Lost this Art Week? Quick thoughts from Elephant's New York columnist:

- Openings: [Magenta Plains](#), [Jack Shainman](#), [Market Gallery](#), [Hauser & Wirth](#)
